

TREKKER TRAX®

SUPERIOR FOAM MARKER

Principal Functioning Agents:

Alcohols	24%
Mixed anionic and non-ionic surfactants.....	30%
Inert Diluent Compounds	46%
TOTAL	100%

KEEP OUT OF REACH OF CHILDREN
CAUTION

CAUTION: Can Cause Eye Irritation — Can Cause Skin Irritation

First Aid: If in eyes: Flush with water for 15 minutes; then get medical attention. **If on Skin:** Remove contaminated clothing. Wash with soap and water. Get medical attention if irritation persists. **If Swallowed:** Call a physician immediately. Induce vomiting promptly. **If Inhaled:** Remove to fresh air; apply artificial respiration if necessary.

General: TREKKER TRAX is a superior foam marker, a unique blend of ingredients for producing thick, long-lasting foam. TREKKER TRAX has been formulated to work over a wide range of water hardness, mineral content and impurities. TREKKER TRAX foam should be deposited to the ground in large blobs rather than in narrow streaks; this sometimes may necessitate increasing the diameter of the hose extending from the end of the boom.

Directions for Use: Foam generating equipment should be cleaned with an agricultural cleaner (i.e. Tank & Equipment Cleaner) before introducing TREKKER TRAX. Bottom fill tanks – add TREKKER TRAX to clean water at the start of filling. For top filling - TREKKER TRAX should be added to clean water when tank is ½ full. The fill hose should be below the water level until filling is completed. The air pressure (15-35 psi) should be adjusted to produce thick, fine bubble foam. TREKKER TRAX is to be mixed with water at approximately 1% of concentration. Soft water: 2 to 3 pints (1.0 to 1.5 litres) TREKKER TRAX in 30 to 40 gallons (100 to 150 litres) of water. Medium and Hard Water: 3 to 4 pints (1.5 to 2.0 litres) of TREKKER TRAX in 30 to 40 gallons (100 to 150 litres) of water. If foam consistency is poor at the 4 pint (2 litre) level, check for a malfunction or contamination in the foam generating system.

Storage: Store in cool, dry place. Store in original container. Keep tightly closed. Do not reuse empty container.

Disposal: Do not contaminate water, food or feed by storage or disposal. Wastes may be disposed of on-site or at an approved waste disposal facility. Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities.

WARRANTY DISCLAIMER AND NOTICE

THE DIRECTIONS FOR USE OF THIS PRODUCT ARE BELIEVED TO BE ADEQUATE AND SHOULD BE FOLLOWED CAREFULLY. IT IS IMPOSSIBLE TO ELIMINATE ALL RISKS INHERENTLY ASSOCIATED WITH THE USE OF THIS PRODUCT.
